BOARDING RULES, RESPONSIBILITIES AND PRIVILEGES

DISCIPLINE CONTRACT FOR A VERTICALLY INTEGRATED BOARDING HOUSE

The strength of a vertically integrated Boarding House is that the atmosphere within the Units should mirror closely that of a normal family environment. Students have to learn to give and take, to complete duties responsibly and to respect the rights, personal space and property of others. Likewise a student should be able to expect the same consideration in return. Younger students need to be respected by the senior members in their Units, and should feel safe and valued within the Boarding community. Senior students must realise that through the positive example they set they need to earn the respect of other Unit members.

While senior students are given some privileges within the Unit, with this comes the important responsibility to treat all other Unit members fairly and with consideration. Respect is something which is earned, and not a given right.

Younger students may tend to be more rowdy, less studious and may lack the ability of know when ‘enough is enough’. They may be tardy in completing duties and reluctant to settle down after ‘lights out’. Older students may prefer quieter activities and will usually be more studious and maybe less patient than real parents are inclined to be. Younger Boarders are expected to recognise that Year 12 Duty Seniors are persons in authority within the Boarding community. Younger Boarders should be prepared to follow reasonable instructions from Duty Seniors and to help work towards harmony within their Unit. For their part, Duty Seniors should lead from the front (ie ‘do as I do’, not ‘do as I say’), and set a constructive and supportive example for younger students.

In any close community it is usual that disagreement or friction will sometimes develop between students.

However, under no circumstances may older students resort to physical means to control the behaviour of younger Unit members. Older students may ask younger students to complete reasonable duties in the Unit (see Duty Roster, Page 9), and if these duties are not completed, Duty Seniors may apply the sanctions shown later in this booklet (see Consequences for Infringement of Rules, Page 10). If these sanctions do not work, Duty Seniors must seek assistance from a Boarding Staff member.

Under no circumstances may any student use physical force on another student. It is also a clearly stated policy of the School that bullying of any kind, physical, verbal or defensive is totally unacceptable.
DUTIES – DUTY SENIORS

1. to help with the maintenance of harmony and discipline in the Unit with the support of the Boarding Staff.
2. to organise duty rosters for the Unit.
3. to report any damage or breakages in the Unit to the Boarding Staff.
4. to report any sick Boarders to Staff.
5. to supervise tables in the Dining Room.
6. to supervise the cleaning of the Common Rooms.

PRIVILEGES – YEAR 12 STUDENTS AND DUTY SENIORS

Year 12 Students and Duty Senior Students:

1. may go to town on any weekday but **only twice a week**, not including Saturday.
2. may visit the other end of Boarding during the big break (8.50am to 9.20pm).
3. do not have to attend lunch in the Dining Room on Saturdays and Sundays.
4. may have a hot drink in the Dining Room prior to grace.
5. may go to the cinema on Friday evening provided the correct bus bookings are made.
6. Year 12 Students may work past 10.30pm in the evenings.
DUTY ROSTER

The following duties have to be performed by the Unit on a daily basis. How this is organised depends on the individual Units and their Duty Seniors, but a clear duty roster must be displayed in all Units, including weekend arrangements. Duty Seniors are responsible for drawing up a *fair* roster for all students and for ensuring that the roster is followed. Copies of each Unit’s Duty Roster must be clearly displayed within the Unit.

ALL BOARDERS (including Year 12 Boarders and Duty Seniors) ARE RESPONSIBLE FOR CLEANING UP AFTER THEMSELVES (ie putting away food and drink containers).

GENERAL RULES

1 A good standard of behaviour is expected at all times.

2 Boarders are required to comply with instructions given to them by persons with authority within the Boarding area (i.e. residential Staff, Duty Staff and Boarders with designated responsibilities).

3 Except in special circumstances, no Boarder will be permitted to visit the Units between 8.30am and 3.20pm on normal school days. If it is necessary to return to Boarding, permission must be gained from a Boarding Staff member. No one else is able to give permission.

4 While recognising that friendships will naturally develop in a co-educational situation, no physical contact of an intimate nature is permitted in Boarding.

UNIT RULES

1 No Boarding student may enter a Unit or room of a Boarding student of the opposite sex. This also applies to Boarding camps or excursions with an overnight stay.

2 No Boarder may leave his/her Unit between lights out and the morning call unless with the permission of the Head of House. Boarding students may use the intercom system available in each Unit to contact Boarding Staff between lights out and morning call.

3 Possession, supply or use of illegal or harmful drugs, the misuse of prescription drugs, or possession of drug taking implements while in Boarding, on Boarding excursions or at any other Boarding activity is strictly forbidden. Falsely representing harmless substances as illegal or harmful drug, or prescribed medication is also strictly forbidden.

4 Boarders may not take video footage or photographs or other members of the Boarding community while in Boarding, on Boarding excursions or at any other Boarding activity without the permission of the other people involved. Boarders may not post video clips or photographs, taken in Boarding or on a related Boarding activity, on the internet (e.g., on YouTube) or pass them on electronically to others without the permission of a Staff member.

Infringement of any of the above four rules will be viewed very seriously and could lead to parents being asked to remove the Boarder from Boarding, and/or the School.

5 Possession, supply or consumption of alcoholic drinks is not allowed in Boarding or at any Boarding function. Students may not be under the influence of alcohol when in Boarding and they may not have in their possession containers that have had alcoholic beverages in them. This includes times when students are travelling to or from agreed weekend hosts, other than when the Boarder has been collected by their parents.

6 Smoking of cigarettes is not allowed in Boarding, or on Boarding activities or camps.

7 The use of physical coercion or intimidation is not acceptable at any time.

8 Boarders must respect the property of both the School and other students. No Boarder is to enter another’s room or touch or take equipment which does not belong to them, without permission. Wardrobes have a lockable cupboard for each Boarder’s individual use.

9 The intercom is only to be used after lights out. In the event of an emergency students should contact the Head of Boarding or their Head of House.

10 All Boarders should be up and out of bed by 7.20am on School days.
INSPECTION OF UNITS

Units are inspected by Boarding Staff on weekday mornings between 8.15am and 8.30am and on Monday and Thursday evenings after dinner. Boarding Staff may inspect a Unit at any time if the circumstances warrant an inspection. Duty Seniors will help Duty Staff with such inspections.

CONSEQUENCES DUTY SENIORS MAY APPLY FOR INFRINGEMENT OF RULES

Rules and accepted practices have been developed to ensure the harmonious running of the Boarding community. When these rules are not met it is possible for there to be measures applied fairly and consistently.

Duty Seniors may apply the following measures only. Other measures are not acceptable:

A Duty Senior may require a Boarder to:

(a) do extra duty (total duty is not to exceed double that of the Boarder’s normal duty load). The amount of extra duty is to be approved by the Head of House.

(b) complete some other form of punishment which has been agreed to, in advance, by the Head of House and the Duty Senior.

A Boarder has the right to appeal to the Head of the Boarding, whose decision is final.

A Duty Senior must report any refusal to complete disciplinary action by a student.

Under no circumstances may Duty Seniors use physical coercion or threats in dealing with other students in Boarding.
LIVING AREAS

All Boarders are responsible for keeping their rooms tidy. Rooms must be ready for inspection by 8.15am on weekdays. During weekends, rooms should be kept reasonably tidy at all times.

The following is a list of requirements for keeping a room tidy:

1. Desk should be neat.
2. The bin should be emptied before 8.15am each day.
3. Clothes should be folded and arranged neatly on shelves.
4. All shoes and sneakers should be put away on shelves or racks and not kept under beds.
5. Beds should be made with covers neatly arranged.
6. Towels should be hung on the towel rack, not left on the floor or hung in a doorway.
7. All rubbish should be removed from the floor.
8. Clothing should not be dried on the brick wall or outside the Unit.
9. Clothing should not be hung over walls or curtain rods.
10. Dirty clothes for the Laundry should be put in the laundry basket. Underclothes should be stored in a closed basket.
11. Furniture in the room must not be rearranged unless permission has been given by Boarding Staff. Only Year 12 Boarders and Duty Seniors are permitted to rearrange the furniture in their rooms.
12. Storage cupboards are to be kept neat and tidy.
13. Roof storage areas are not to be used.
14. No crockery or cutlery is to be removed from the Unit.
LAUNDRY

1 All items must be taken to the Laundry by 7.30am.

2 All hangers must be returned to the Laundry.

3 All items of clothing should clearly be named with either sewn-on name tags or with laundry marking pen.

NB Parents would be amazed at the number of unmarked, unclaimed articles of School uniform and other clothing which is disposed of at the end the year. We appeal to all parents to ensure that ALL clothing is clearly and permanently marked (especially socks) so that lost items can be returned to their rightful owner.

8 Good table manners are expected from everyone in the Dining Room. Year 12 Boarders and other Duty Seniors are initially responsible for the behaviour and quietness of students at their table. On occasions they may need to ask for Duty Staff assistance.

2. ‘Prep’ is to be carried out in silence, unless permission is granted for collaborative learning to take place.

Students are not insured by the School against accident or loss of property. However, most householder’s policies give a limited cover for the property of a householder and his or her dependants while the property is temporarily removed from the home to another location. 1. Movies are provided for Boarders on Saturday nights.
2. Year 7, Year 8 and Year 9 Boarders may only view PG rated movies.
3. Year 10, Year 11 and Year 12 Boarders may view M rated movies.
4. Year 12 Boarders may view MA rated movies.
5. All movies shown in Boarding must be approved by the Duty Staff.

**MP3 PLAYERS/iPODS/COMPACT DISC PLAYERS**

1. For Year 7, Year 8 and Year 9 Boarders the above are not to be used during 'Prep'. Students in Year 10, Year 11 and Year 12 may use them provided they have headphones.
2. Any music played in Boarding should not be excessively loud. As a guide, music should not be heard outside the Unit. Persistent offenders will have the source of the music confiscated.
3. Parents are expected to arrange their own insurance for these items.

**COMPUTERS**

Students have access to the School’s computers during the School day, after school in the Library and during supervised 'Prep'.

Students are permitted to bring their own computers into Boarding and they can access the School’s network.

1. The School’s Information Technology Usage Policy applies to all Boarding students when in Boarding.
2. Computer games are not to be played during 'Prep' sessions.
3. Another student may not use a Boarder’s computer unless the owner and the Head of House give permission for this to happen.
4. A lockable valuables box is provided in each wardrobe.
5. Boarders are reminded that the internet usage is monitored through the School’s server. Any inappropriate usage will result in a consequence.
6. Inappropriate material cannot be brought into, viewed, used or transferred electronically within Boarding.
TOWN VISITS

1 Year 12 Boarders and Duty Seniors may make trips to town on any two weekdays from 3.20pm to 5.00pm. They may also go to town on Saturday from 8.30am to 11.30am.

2 Year 7, Year 8, Year 9, Year 10 and Year 11 Boarders will be taken to town every Saturday by Boarding Staff. All students are encouraged to stay within a group during this time and a Boarding Duty Staff member will remain in town with mobile contact available.

3 All Boarders should personally sign in and out of Boarding using the Exit Book. An initial, surname and destination are required. Writing or printing must be legible and before leaving, the Staff member on duty in the area must be consulted. This also applies when Boarders are walking, riding or skating in the grounds. No student should leave Boarding without obtaining permission from the Duty Staff.

POCKET MONEY

1 Year 7, Year 8 and Year 9 Boarders should need no more than $15.00 per week pocket money.

2 Boarders should not keep large sums of money in their Unit. It is helpful if pocket money is provided in separate envelopes for each week of the term with the Boarder’s name on each envelope. These should be given to the Head of House. Cheques should not be used.

3 $30.00 for Year 7, Year 8 and Year 9 Boarders should be deposited with the Head of House at the beginning of each term for Sunday activities.

4 Senior Boarders are encouraged to have access to bank accounts and to use their ATM cards for added convenience.

CINEMA/BOWLING/SKATING

Where numbers permit, Boarders may be taken to these activities on a Friday, or Sunday excursion.

Year 12 Boarders and Duty Seniors are permitted to go to the movies on Friday evening in town. Year 11 Boarders are permitted to go to the movies on Friday evening with parental approval, which must be received by the preceding Wednesday.

PRIVATE PARTIES

Boarders are permitted to attend private parties, (generally those organised by Day Student’s parents), providing the Head of Boarding House is satisfied, after consultation with the hosts, that arrangements and supervision will be adequate. Parents will also be required to give permission for their children to attend such a party. Parents are advised to contact the responsible adults running the party to confirm that the supervision will be adequate. Parents should advise the Head of Boarding House in writing, by fax, email or text that their son or daughter has permission to attend a particular party on the Wednesday prior to the party taking place.
COMMUNICATION

LETTERS/EMAIL

The weekly Newsletter will be posted, emailed or faxed home to families each week and is available on the School’s website. Students have access to email before, during and after School, and can access the School system during the break time during supervised ‘Prep’.

TELEPHONES

Mobile phones are permitted in Boarding, providing students follow the current policy in keeping and using a mobile phone in Boarding.
POLICY FOR THE USE OF MOBILE PHONES IN BOARDING

Students are able to bring mobile phones into Boarding provided they comply with the following rules governing their use:

1. Boarders must register their mobile phone with their Head of House when they first bring it into Boarding, usually at the start of the academic year.

2. Heads of each Boarding House will develop a list of individual mobile phone numbers for Boarding students.

3. Boarders may keep their mobile phones with them while in Boarding providing they are switched off during formal meal times (usually in the Dining Room), Prep sessions and after students have been put to bed at night.

4. Boarders must comply with the rules for mobile phones in the Day School during normal School hours (i.e. between 8.38am to 3.20pm each day); that is the phones must be locked in their lockers if brought into the Day School.

5. Security of the mobile phone is the student’s responsibility, and they should be locked in the Boarder’s lock up box when not being used. The School does not accept any responsibility for the loss or theft of a mobile phone.

6. Students with mobile phones with a camera facility must use this facility appropriately. They may not take photographs or video film of other students, Staff or visitors to Boarding without permission from the person being photographed.

7. If students use their mobile phone inappropriately (e.g., prank calls, inappropriate messaging, photographing others without permission, sending photographs of students to other students by SMS message, putting such photographs on the internet, or using the phones after lights out) the matter becomes a disciplinary issue and it will be referred to the student’s Head of House or the Deputy Head (Pastoral) for serious cases. This may result in the confiscation of the phone for a period of time, (a week in the first instance, and one month for each subsequent offence) and there would be other consequences for serious offences. Boarders may not post any images or footage on social media, YouTube or similar which has been taken at School, in Boarding or on School camp or excursion unless they have been given permission to do so by the Head of Boarding.

8. Boarders are not permitted to use mobile phones to access the internet or for email.

CHANGE OF ADDRESS/CIRCUMSTANCE

Parents are asked to inform Boarding Staff and Administration as soon as possible of changes in address or any other information which might affect the Boarder. New forms are to be completed each year and sent to the Head of Boarding before Term 1 starts.
**HEALTH**

**ILLNESS**

1. Boarders who are ill at School are to report to Administration at School.

2. Boarders who are ill in Boarding should report to the Day Duty Staff member, or Duty Senior. The Day Duty Staff will liaise with the School Nurse and a decision will be made as to whether a Boarder needs to spend time away from School, either by going home or in bed, at the School Health Centre.

3. The Boarding Day Duty Staff will arrange medical appointments, collect scripts, liaise with parents and transport Boarders to their various appointments.

4. If the Boarder does need to go home, the Boarding Day Duty Staff member will contact parents to make the necessary arrangements. It may be necessary for the Boarder to go to the School Health Centre and remain in bed, until parents arrive.

5. Boarders who are ill, in Boarding at the commencement of the School day, and do require rest, will be transported to the School Health Centre at 8.30am. Boarders will be collected, at the end of the School day (3pm) and return to their Boarding Unit.

6. Boarders who spend the day at the School Health Centre will be required to stay in their Unit after school and for the evening.

7. Boarders, who do require rest and are transported to the School Health Centre, are not permitted to take lap tops, phones or School work with them to the Health Centre.

8. Boarders who recover from their illness during the School day and are fit to return to School will be collected from the Health Centre by a Boarding Staff member and will return to Boarding to get changed into School uniform before going to their scheduled class.

9. Where possible, Boarders who are suffering from the symptoms associated with gastroenteritis will be isolated.

10. Boarders who are ill at home should not return to Boarding until they are well.

11. Boarders who are ill for more than two days, or have a contagious disease, will be sent home, or stay with a guardian, until they are well again.

12. In emergencies, Boarders will be taken to hospital by Duty Staff, the School Nurse or an ambulance will be called.

13. Please contact the Head of Boarding House to inform them of a Boarder’s absence.
MEDICAL APPOINTMENTS

1. Parents are asked to make appointments through their Head of House so that a time convenient to all may be organised.

2. Boarders who are ill are taken to their appointment by Boarding Staff.

3. Boarders who have other appointments, (dentist, orthodontist, physiotherapist, etc) will be taken to their appointment by Boarding Staff.

4. If Boarders miss School time due to an appointment, they must request a signed Boarder’s Absentee Note from the Duty Staff member. They should then give the note to Administration Staff on their return to School.
TRAVEL, HOLIDAYS AND VISITORS

VISITING: FRIENDS/FAMILY

Boarders usually have the opportunity to visit friends on weekends. However, the following conditions must apply:

1. Parents must telephone, fax, email or write to the Head of House by Wednesday evening giving permission for a visit to occur. Clear weekend arrangements, including collection and drop-off times, will need to be indicated.

2. The intended host must inform the Head of House by Wednesday evening that the visit is convenient. It is the responsibility of parents and the Boarder to acquaint potential hosts with this requirement.

3. Parents need to inform the Head of House by phone, text, fax, email or a letter by Wednesday evening if their child is going home for the weekend.

On Sundays, Boarders are asked to return from weekend visits before 8.30pm. They may return by 8.30am on Monday provided the Head of House has been advised.

In arranging visits, parents and students are reminded that commitments to teams and to weekend sports must be honoured.

NOTE

1. Boarders will not be permitted impromptu visitors without the above notification being made on time. Parents’ co-operation is sought on this matter to avoid possible embarrassment or misunderstanding.

2. In the event of a friend visiting a Boarder in Boarding, they must initially contact the Duty Staff member. Boarding Staff reserve the right to control the length of such visits.

VISITORS

1. All visitors are to report to the Boarding Duty Staff member before spending time with a Boarder.

2. All visitors are to meet in a designated area. Visitors are not permitted to enter Units.

3. Boarding Staff reserve the right to control the length of such visits.

4. Boarders should not congregate with visitors in the School car parks.

OTHER TRANSPORT SERVICES

A public transport service leaves for Perth from the train station in Bunbury at 4.00pm every Friday and the train returns to Bunbury at 8.30pm on Sunday. Boarders who wish to use this service are transported to the station on Friday and collected on Sunday night by Boarding Staff.
RETURNING TO BOARDING

Boarders are asked to return to Boarding, after a long weekend or holiday, between 6.00pm and 8.00pm on the day before school starts or before 8.30am on the morning of the first day of school. When changes to arrangements occur the duty Boarding Staff must be advised. Please note that the Boarding Dining Room does not open in the evening of the day when Boarders return after a holiday or long weekend, and hence Boarders will need to have had their dinner prior to returning to the Boarding House.

CARS

Cars may only be used by licensed Boarding students for transport to and from School.

Parents must write to the Head of Secondary requesting permission for their son or daughter to drive to and from School. The letter should include a list of authorised passengers, named individually. If the Head of Secondary grants permission he will then advise the Head of House.

Parents who wish to give permission for their son or daughter to be a passenger in a car driven to or from School by a student should request permission from the Head of Secondary in writing. If the Head of Secondary grants permission he will then advise the Head of House. No travel by car will be permitted until the above requirements are met.

Car keys for Boarder’s cars must be kept in the Boarding Staff office.

BOARDERS’ LONG WEEKENDS AND SCHOOL HOLIDAYS

These occur in the middle of Terms 1, 2 and 3, sometimes in Term 4 and for special holiday weekends (ie Easter). The Boarding Houses close entirely for this time (Friday 4.00pm until Monday 6.00pm) and there will be no Staff on duty between these times. Boarders are all to go home or to make alternative plans for these weekends and holidays. It is asked that parents or guardians make the necessary travel arrangements for the students well in advance.

The Boarding Houses are closed throughout the School holidays. Boarders who are not returning home will need to make arrangements to stay with their local guardian or friends during holiday periods.
BOARDING BUS (DURING THE TERM)

1 This bus is for Boarders who have specific sporting and/or cultural activities out of School hours during the term. The bus is available between 3.30pm and 10.00pm each weekday and between 7.30am and 9.30pm on Saturdays and Sundays.

2 To book the bus Boarders must see the appropriate Staff member on the day required and discuss their plans during lunch on week days, or at the first opportunity in the morning on a Saturday or Sunday, or when bookings are taken.

3 Boarding Staff will monitor the amount of time individuals are spending out of Boarding, particularly if it interferes with ‘Prep’ time.

BOARDING BUSES (BEGINNING AND END OF TERM)

These usually run from School through Boyup Brook to Esperance, to Lake Grace via Wikepin, to Margaret River and to the domestic Terminal via Perth. They run at the beginning and end of each term, except the beginning of Term 1 and at the end of Term 4. They also operate on all Boarders’ Long Weekends, with the exception of Margaret River. Parents will be advised of any impending route changes well in advance. The approximate times at which the bus will pass through certain towns is shown on the next page. Note that the times vary depending on:

1 The final destination of the bus.

2 The proposed departure time of the bus.
