

SECONDARY SUMMER SPORTS (7-11)

Dear Parents/Guardians,

BCGS strongly encourages all students to participate in a summer sport. Whilst this is not compulsory there are a number of benefits in doing so.

When choosing a sport it may be a team sport or an individual sport, in school or outside of school. The only prerequisite is that your child cannot play for a team that will play in the same competition as a BCGS team.

I would like all parents to please discuss with their children what sports the school offers and also what might interest them outside of school. The purpose of this is to give the information on the sports that the school offers.

At this stage the school is offering the following sports:

CRICKET

Club Cricket

Training on a weeknight to be determined
Matches mainly Saturdays.

BASKETBALL

All Years	Under 14	1 July 2004 – 30 June 2006 (Year 6-7)
	Under 16	1 July 2002 – 30 June 2004 (Year 8-9)
	Under 19	1 July 1999 – 30 June 2002 (Year 10-12)

Please note that the age groups use DOB that are in line with the Normal range (ie 1 July – 30 June). If your child is older than their peers in their year then they will generally be allowed to play in the school year they are in but we will need to apply for dispensation.

Training nights will be on a night determined by the coach.

Game nights are as follows:

U14-19 Boys Wednesday afternoons
U14-19 Girls Tuesday afternoons

***** Trials for A Division teams will take place during Week 9. Information will be given to those students who have elected to trial for A Division teams.**

SWIMMING

This occurs on Tuesday, Wednesday and Thursday mornings at the SW Sports Centre. More information will be handed out to those that choose this sport.

5-A-SIDE SOCCER

There will be a five-a-side soccer competition run on Friday afternoons for any students interested. Students can select their own teams to play in this competition. More information will be handed out to students who choose this option.

ROWING

Rowing will once again be offered through the school and Bunbury Rowing Club. The season set up has yet to be finalised and will be given out to those interested once it becomes available.

BADMINTON

A summer Badminton group runs on a Friday afternoon in the school gym.

TENNIS AND GOLF

Tennis and golf are offered by the school through external providers. This information won't be finalised until the end of Term 3 and will be sent home via email to all families. If you are interested in these sports then you will need to follow the instructions on that email to register.

REGISTRATION PROCESS:

For the summer season we will be using the same process as the Winter Sport Nominations so most families should be familiar with the method of using the site. All the information we need as a school will be collected from the form on this site. If you follow the prompts this should be a much easier process than in the past.

Some information that will help is below:

- When the list of sports come up please check all the boxes that apply to your child. Sports run by the school will appear as school sports and there will also be the option to choose outside sports.
- If your child is playing a sport the school does not offer then please select "outside sports".
- If your child is playing one of the sports the school offers in another town (ie cricket in Busselton) then please indicate outside sport and choose this sport.
- If you choose outside sports when it comes to that section a drop down box will appear with a list of sports that students have chosen in the past. Please include the club that your child will be participating with. Once you have done one you can choose another sport so that the list represents all the outside sports your child plays.
- After you have selected the sport it will go through all of these in order to collect the information we require for each sport.
- Complete all information as requested.
- At the end it will provide you with a summary of what you have chosen and this will automatically be sent via email to you as a parent as well as myself as Sports Coordinator.
- Please check the information you have submitted and if there are any errors you can change the form and then an updated form will be emailed again.

Should you have any questions, please make contact through the school on 9722 6133 or email me at jason.reid@bcgs.wa.edu.au

Yours sincerely,

Jason Reid
Sports Coordinator
