

OLD
GRAMMARIANS'
ASSOCIATION

BUNBURY CATHEDRAL GRAMMAR SCHOOL OLD GRAMMARIANS' ASSOCIATION

The Old Grammarians' Association Committee ("Committee") often hear about our former students carrying out amazingly selfless acts to improve in the communities where they live. They are helping others and making the world a better place. Through our HOPE (Humanitarian Or Philanthropic Endeavours) programme, the Old Grammarians' Association aims to help these members continue making their outstanding contributions to make a difference.

The HOPE programme provides financial support to members who are endeavouring to achieve something extraordinary, help others or generally benefit mankind.

The guidelines for the allocation of HOPE funds are simple. Members can seek financial support on their own behalf or someone else's behalf at anytime throughout the year.

The funds available for distribution are in accordance with the Committee's current Investment Strategy.

Each application will be considered on its merits for that year. The Committee may seek expert advice to assist with making decisions regarding nominated projects.

All requests for support must be submitted using the HOPE application form attached. Application forms are also available from the OGA Secretary or on the school website. Applications will be considered at Committee meetings where a full quorum and a majority vote are required to enable the nominated project to be supported. If there is a tied vote, the President or person presiding at the meeting shall have a casting vote in addition to his or her deliberate vote.

As a condition of successfully receiving support from the HOPE Programme, the recipient will be required to provide written feedback indicating how the money was used. This information, along with any photographs of the project, may be used in the Grammarian magazine.
