Dear Parents and Players,

The 2020-21 cricket season is fast approaching and we are currently taking nominations from students interested in playing cricket for Grammar Cricket Club this season.

The Bunbury and Districts Junior Cricket Association follow the Cricket Australia guidelines. The three different stages of cricket are:

- **WOOLWORTHS JUNIOR BLASTERS (Years PP to 2) – SKILL DEVELOPMENT**

## MASTER BLASTERS

### What is it?

Master Blasters is a super fun, social, safe, cricket program for boys and girls aged 7 to 12. The program is much shorter than traditional cricket, with a maximum of 90 minutes playing time. All the equipment is supplied and the games take place at the same venue each week.

This program caters for students aged 7 to 12 so ideally Years 3 to 6. Boys and girls are both welcome. Club cricket does start for year 5 students however if this competition suits better for families then all students in Primary school can participate in this program. This would be a fantastic way for older students interested in cricket that have not played before to begin their cricket playing.

Players can play both Master Blasters and club cricket if they wish but just be aware of the commitments for each.

### When is it?

This program runs weekly on a Wednesday from 5.00pm – 6.30pm. There is NO weekend commitment to this program. The program will commence on Wednesday, 21 October and finish on Wednesday, 25 November. We will then recommence in 2021 on Wednesday, 10 February and finish on Wednesday, 24 February.

## CLUB CRICKET

### What is it?

**Club cricket is run by the Bunbury and Districts Cricket Association.** Club cricket is played as a Year based competition. This means that students will play in their own school Year. The naming of the grade reflects the school Year the player will be in **AT THE END OF THE SEASON**. The youngest age group is the Year 6 competition which will comprise students that are currently in Year 5. We then have separate Year 7, 8, 9, 10 and 11/12 competitions. \*\* Some Year 4 players may be ready for club cricket. A hard ball is used in all of these competitions.

### For who?

Club Cricket is for Boys and Girls in Years 5 and up. Some Year 4s have the skill level to start playing in this grade.

### When is it?

These competitions are played on Saturday. There may also be some Friday night T20 matches for some grades. A mid-week training session will be held for all teams and that will be determined by the coach.

### PARENT ASSISTANCE

To ensure an enjoyable and organised cricket season each team requires parent assistance. **We will need some parents to coach** and/or assist the coaching of teams during the week and on the weekend as well as parents to assist with scoring.

### EQUIPMENT

Equipment is provided for all teams at Grammar. However, we would encourage players to organise a protective box, batting gloves and cricket whites. Protective sunscreen and a suitable drink container are also required for training and games.

### UNIFORMS:

We provide all players with a playing shirt for the season which is returned at the end of the season. Players can now also order a pair of Grammar playing pants as well. All players must wear either a Grammar Cap or Hat when they play. We are again offering the opportunity for students to purchase a cap or a floppy hat.

Pants, caps and hats can be ordered and paid for on the online registration form.

### TRAINING

Once the coaches, and teams, are finalised, students will be informed of their specific training nights and times.

It is an expectation that all students who commit to play cricket attend all training sessions and matches and do so with a positive attitude. If a player cannot make a session then it is expected that the player will contact their coach to excuse themselves from the session, or match. Students let the team down if they do not follow these simple guidelines.

### INJURY AND MEDICAL DETAILS

As with any sport, playing cricket, even at a junior level, can involve the risk of sustaining an injury. As a protective measure children playing at Year 6 level or above are required to wear helmets when batting. New cricket guidelines with regards to helmets have been introduced by Cricket Australia as of this summer. If you purchase a new helmet then please ensure this complies with the new policy of being a **British Standard Helmet**. I will ensure this information is also emailed to all players prior to the commencement of the season.

The school will use Consent2Go to collate medical information. Please ensure that this is up to date or if there is anything that we **MUST BE AWARE** of in order to provide your son or daughter with a safe playing environment please email me asap so that I can ensure that coaches are aware.

## FIXTURES AND RESULTS

All cricket fixtures and results are kept up to date on Mycricket. We encourage all players to regularly monitor the Grammar Mycricket site <http://mycricket.cricket.com.au/home.aspx?entityid=7387&save=0&mode=1>  
I hope all parents and players have an enjoyable cricket season.
