

YEAR 12 – 2022 REQUIREMENTS

The following is a generic list of materials which students need to enter Year 12. Students are likely to have many of these items already from previous years. Almost all text books are issued to students through the School's Library book hire scheme. **Some revision guides are recommended to be purchased and used at home during the year for personal revision. Students studying these specific courses are encouraged to purchase these revision guides 'on-line' from <http://www.academicassociates.com.au> or from book suppliers. Other required materials specific to particular course are listed at the end of this document.**

Additional Support Material

Set Up in Education is available from www.stepupineducation.com. These courses have online tutorials available which maybe helpful to some students.

2021 Creelman Exam Questions usually available in March/ April from Academic Group.

Revise online is available www.reviseonline.com. This website provides an alternative to hardcopies of revision and exam. Students may wish to explore this option when deciding whether to purchase a revision book.

- Note: Whilst these resources are not compulsory, they may be worth exploring.
