

YEAR 11 – 2024 REQUIREMENTS

The following is a generic list of materials which students need to enter Year 11. Students are likely to have many of these items already from previous years. Almost all text books are issued to students through the School's Library book hire scheme. **Some revision guides are recommended to be purchased and used at home during the year for personal revision. Students studying these specific courses are encouraged to purchase these revision guides 'on-line' from <http://www.academicassociates.com.au> or from book suppliers. Other required materials specific to particular course are listed at the end of this document.**

Item	Description	Quantity

	ATAR units 1 and 2 Biology	
	ATAR units 1 and 2 Chemistry	
	ATAR units 1 and 2 Human Biology	
	ATAR units 1 and 2 Physics	

Additional Support Material: Set Up in Education is available from www.stepupineducation.com. These courses have online tutorials available which may be helpful to some students.

Revise online is available www.reviseonline.com. This website provides an alternative to hardcopies of revision and exam style question books. Students may wish to explore this option when deciding whether to purchase a revision book.

** Please note: Whilst these resources are not compulsory, they are very useful for students.
